Product removal, nail art, designs, effects & glitters & gel polish on nails extensions available at extra charge – please ask for details.

How long your manicure lasts depends on the condition and length of your natural nail as well as your lifestyle and how you care for them at home.

Removal of gel polish & extensions - when you are ready to change your colour we can do this for you in the salon. This is done safely and gently by soaking off the products. It takes around 30 minutes. If you want to save time in the salon home Removal Kits are available - please ask your therapist for details.
