hydradermie 2 Plus - as above with additional products to target the signs of aging **59.50**

CRYSTAL CLEAR

crystal clear microdermabrasion -

skin is exfoliated to reveal smoother, softer and fresher skin. A course is suggested for treating conditions such as scarring, open pores, uneven skin tone and pigmentation. **39.50**

deluxe crystal clear facial -

combining microdermabrasion with active ingredients and specialised Micro Lift Mask **52.00**

ENVIRON™

environ active vitamin facial

Vitamin A, C and Anti-oxidants are driven deep into the lower layers of the skin using sonophoresis & iontophoresis. Includes Alginate mask to the treated area. Collagen is stimulated, lines softened and elasticity improved while increasing hydration and boosting radiance. **3 Face Map areas £55 up to 10 Face Map areas £79**

collagen power facial

This peptide packed facial helps boost collagen soften lines and tighten lax skin. Uses gentle sound waves to drive special nutrient packed serum deep into the lower layers of the skin. **3 Face Map areas 55.00 up to 10 Face Map areas 79.00**

the frown treatment

Active ingredients are driven deep into the skin to soften lines and reduce muscle tension in the forehead helping prevent new lines from forming. The treatment targets the same chemical complexes as injectables without the associated risks. **79.00**

hydra-boost treatment

This intense treatment deeply hydrates while plumping and firming the skin. Based on Hyaluronic Acid which holds 1000 times its own weight in water! **3 Face Map areas 55.00 up to 10 Face Map areas £79**

precision treatment

This time effective treatment targets small specific areas of concern 1 or 2 small Face Map areas. Perfect when time is limited. Combined sonophoresis & iontophoresis – *does not include alginate mask treatment.* **35.00**

purifying treatment

Created to purify, micro-exfoliate and re-hydrate your skin. Helps in the treatment of acne, scarring and congestion. **39.00**

cool peel treatment

This revolutionary approach to peeling achieves incredible results without damage to the skin. Lactic Acid is used to reduce the skins PH and release growth factors which create tighter, smoother skin, destroys bacteria, boosts hydration and removes build-up of dead cells. Ideal for lines and wrinkles, problem skin, sun damage and rosacea. **55.00**
